The Concurrent Enrollment Program provides a large discount of the cost of tuition. The cost of a 3 credit course would normally range from \$354 to \$380. The tuition to the high school students in this program this year is \$80 plus the cost of textbook(s) and supplies. Enrollment in this program is on a space available basis. Students and parents signing this form allow the College to release a final grade to the high school in which the student is presently enrolled.

To determine eligibility for Concurrent Enrollment we need to know if the student is eligible for free or reduced lunch. Please check yes or no.

Yes my daughter/son is eligible for free or reduced lunch. No my daughter/son is not eligible for free or reduced lunch.
