Although the calendar says that there are half days the week of January 13th, if you look closely you will see that it is for the high school only. Calais Elementary School does have a half day January 16th. January 17th is a teacher workshop day and January 20th is a holiday.

The Calais Recreation Department will be offering a 3rd, 4th, and 5th grade elementary boys and girls team. This team will compete in the newly formed Washington County Elementary School League. The League will start the week of the February 24th. There will be a \$30 registration fee to help for uniforms and refs. This program is for any 3rd, 4th and 5th grade boy or girl in the Calais Elementary School. Sign-up sheet and registration forms will be available at the elementary school. For more information, you can call Craig at the Rec Department 454-2761-214-8792. Thank you so much to Craig who was instrumental in creating this league at the request of some of Calais parents.

Thank you for all of your support and if you need anything, please do not hesitate to contact me.
