

September 2021

Dear Parent or Guardian,

We are pleased to announce the following schedule for school health center services for 2021-2022:

Mondays: 8:00-10:30

Tuesdays: 8:00-2:00

Wednesdays: 8:00-10:00

Wednesdays: 10:00-2:00

Thursdays: 8:00-2:00

Fridays: 8:00-10:00

Dr. Larry Newman

Counseling (Aroostook Mental Health)

Family Nurse Practitioner (S.C.R.F.H.C.)

Counseling (Sunrise Opportunities)

Counseling (Sunrise Opportunities)

Family Nurse Practitioner (S.C.R.F.H.C.)

We will be following all CDC recommendations for health care clinics. Please make appointments in advance whenever possible and be sure to wear a face covering.

Appointments are available beginning Friday, September 3 and may be booked through the nurse's office or by phone at 454-8262. Vaccines (including flu shots) are available on medical days beginning mid-September. We will make every attempt to schedule appointments during study halls if available.

There is no enrollment fee. Your insurance company will be billed by the provider agency for services we provide to your child. We will bill you based on a sliding scale if your insurance does not pay for care. No student is denied services due to the inability to pay.

Attached is the consent, insurance and confidentiality form. It must be completed each year even if your student was enrolled in the past. Please return it at your earliest convenience. Please do not hesitate to contact me if you have any questions. We look forward to serving your student in the coming year.

Sincerely,

Ann Skriletz, R. N., M.S.N.
School Nurse/
Health Center Manager
